

# Welcome to YOUR JAMP Care™ Patient Support Program

## A Personalized Approach

We would like to welcome you to the JAMP Care™ Patient Support Program! We are here to help support you and your patients across all our JAMP Group participating medications, providing value-added services as well as personalized support throughout all steps involved with each of our specialty medications. Our goal is to always focus on ensuring ease of use, unsurpassed responsiveness, and inspiring your confidence and trust in all we do!

**Experience supporting several specialty medications** for multiple sclerosis, pulmonary fibrosis, and oncology, and soon, biosimilars

**Average time to answer** incoming phone calls is 9-22 seconds\*

**100% of enrollments and program follow-ups** are completed with patients within 24 hours\*
